

Non-Person Entity (NPE)

Authentication and **Authorization** control for NGA servers

TARGET AUDIENCE

- NGA servers with **active Authority To Operate (ATO)** listing in XACTA.

HOW TO ENROLL

- NGA Segments can request NPE certificate support through the Consumer Portal on the GEOAxis website.
 - <https://geoaxis.nga.ic.gov/consumers/services/npe-request.xhtml>

BENEFITS

- **Federate** servers with the same process as users.
- Assign **roles** to NPE

GEOAxis supports provisioning of Non-Person Entities according to UIASv2 attributes. Currently available on SCI, S/C, and UNC
(Registration only available at SCI website).
